

Serena Brotherton repeated her 2001 victory in the Ladies Day Derby Handicap for women amateur riders on second-choice mount **Maneki Neko** for Edwin Tuer. The winner took Patavium's place when that stablemate went up too far in the handicap after a recent course victory.

Brotherton's father David had more cause to celebrate as breeder of the Milton Bradley-trained **Cape Royal**, who belied his ten years to take the 5f handicap on his 137th appearance.

Stablemate The Tatling, three years his senior, finished fourth.
